Raised Lines Foundation

A Section 8 Not For Profit Startup from IIT Delhi

We Exist to Empower Persons with Blindness

1. Enable access to tactile diagrams
2. Enable them to pursue careers of their choice
3. Enable inclusion in its true sense

Raised Lines Foundation
A Section 8 Not For Profit Startup from IIT Delhi

What we do

1. Design and production of affordable, simplified, perceivable tactile diagrams for all age groups and in all Indian languages
2. Develop teaching learning materials and aids like drawing board, geometry kits and accessible educational games
3. Create accessible version of documents, brochures, signages, booklets in digital formats, Braille and large print

Our Impact

Developed 30+ tactile titles, 10 in pipeline
6500+ books & 1200+ learning aids produced
3500+ students with blindness using them

From 60+ schools in 30 cities
